

PLANNED GIVING

A Legacy of Song

With a rich past and an exciting vision for the future, Singers Marin is proud to provide a valuable community resource for those who wish to use their voices to uplift the spirits of others with joyful song.

We are pleased to announce our planned giving program — Singers Marin Legacy Society.

We deeply appreciate your consideration of Singers Marin in your financial, estate, and philanthropic plans. With a bequest or other planned gift, you can provide the means necessary to ensure future generations of music lovers will have the opportunity to enjoy the same high caliber performances, training, and participatory experiences that we offer today.

For more information or to schedule a complimentary charitable estate planning consultation, please contact Jan Pedersen Schiff.
